 - (ii) £400 per 1,000 Covid-19 vaccines administered.

(5) Where the Local Health Board delivers the Scheme pursuant to an arrangement in accordance with paragraph (2), the Local Health Board must ensure that paragraph (4) applies to such arrangements as it would to an engaged provider.

Eligibility for payment

5.—(1) A dentist, general medical practitioner, optician or pharmacist is only eligible for a payment for provision of services under the Scheme in circumstances where the following conditions are met—

- (a) they are an engaged provider;
- (b) the person in respect of whom the payment for the administration of a Covid-19 vaccine is claimed was allocated to the engaged provider by the Local Health Board with whom the engaged provider has an agreement to provide services under the Scheme;
- (c) all required details have been entered on to the Welsh Immunisation System to create a clinical record of immunisation with a vaccine for each person in respect of whom a payment is being claimed by the engaged provider;
- (d) the engaged provider does not receive any payment from any other source in respect of a vaccine (if the engaged provider does receive payments from other sources in respect of any person, the Local Health Board must consider whether to recover any payment made under the Scheme in respect of that person pursuant to direction 8 (overpayments and withheld amounts); and
- (e) the engaged provider creates the clinical record on the Welsh Immunisation System prior to the end of the day on which a vaccine is administered.

Payment under the Scheme

6.—(1) The engaged provider will receive an automatic payment based on the information recorded on the Welsh Immunisation System in respect of each person who has received a vaccine and, where applicable, for every 1,000 Covid-19 vaccines administered, and the activity of the

engaged provider will be captured by NHS Wales Shared Services Partnership as at the tenth day of each calendar month.

(2) Any amount payable in accordance with paragraph (1) falls due following the expiry of 14 days after the activity is captured under paragraph (1)—

- (a) in the case of a GDS contractor, on the next date when the GDS contractor's payable monthly Annual Contract Value Payment falls due in accordance with the relevant GDS Statement of Financial Entitlements;
- (b) in the case of a GMS contractor, on the next date when the GMS contractor's Global Sum monthly payment falls due in accordance with the relevant Statement of Financial Entitlements;
- (c) in the case of a GOS contractor, on the date in the next month when the GOS contractor's General Ophthalmic Services monthly reimbursement falls due in accordance with the Statement of Remuneration;
- (d) in the case of a pharmacist, on the next date when the pharmacist receives any other payments due under the Drug Tariff, and
- (e) in the case of any other engaged provider, no later than 8 weeks beginning with the date on which the engaged provider creates or updates the clinical record on the Welsh Immunisation System or as otherwise may be agreed between the Local Health Board and the engaged provider.

(3) The Local Health Board must ensure that the receipt and payment in respect of any automatic payments made pursuant to paragraph (1) are properly recorded and that each such payment has a clear audit trail.

Conditions of payment

7.—(1) A payment under these Directions is only payable if an engaged provider satisfies the following conditions—

- (a) in respect of each person for which a payment under the Scheme is claimed, the engaged provider has supplied the Local Health Board, via the Welsh Immunisation System, with—
 - (i) the name of the person,
 - (ii) the date of birth of the person,
 - (iii) the NHS number, where known, of the person, and
 - (iv) the date on which each dose of a vaccine has been administered.

(2) The Local Health Board may request from an engaged provider any information which the Local Health Board does not have but needs, and the engaged provider either has or could be reasonably expected to obtain, in order for the Local Health Board to form an opinion on whether the engaged provider is eligible for payment under the provisions of the Scheme.

(3) The Local Health Board may, in appropriate circumstances, withhold payment of any, or any part of, payments due under the Scheme if an engaged provider breaches any of these conditions.

Overpayments and withheld amounts

8.—(1) If a Local Health Board makes a payment to an engaged provider pursuant to the Scheme and—

- (a) the engaged provider was not entitled to receive all or part thereof, whether because it did not meet the entitlement conditions for the payment or because the payment was calculated incorrectly (including where a payment on account overestimates the amount that is to fall due);
- (b) the Local Health Board was entitled to withhold all or part of the payment because of a breach of a condition attached to the payment, but is unable to do so because the money has already been paid; or

(c) the Local Health Board is entitled to repayment of all or part of the money paid, the Local Health Board may recover the money paid by deducting an equivalent amount from any payment payable under the Scheme or any other payment payable to an engaged provider by virtue of its provision of NHS services, and where no such deduction can be made, it is a condition of the payments made pursuant to the Scheme that the primary care provider must pay to the Local Health Board that equivalent amount.

(2) Where a Local Health Board is entitled pursuant to paragraph (1) to withhold all or part of a payment because of a breach of a payment condition, and the Local Health Board does so or recovers the money by deducting an equivalent amount from another payment payable under the Scheme or any other payment payable to an engaged provider by virtue of its provision of NHS services, it may, where it sees fit to do so, reimburse the engaged provider the amount withheld or recovered, if the breach is cured.

Underpayments and late payments

9.—(1) If the full amount of a payment that is payable under the Scheme has not been paid before the date on which the payment falls due, once it falls due, it must be paid promptly unless—

- (a) this is with the consent of the engaged provider, or
- (b) the amount of, or entitlement to, the payment, or any part thereof, is in dispute.

(2) If the engaged provider's entitlement to the payment is not in dispute but the amount of the payment is in dispute, then once the payment falls due, pending the resolution of the dispute, the Local Health Board must—

- (a) pay to the engaged provider, promptly, an amount representing the amount that the Local Health Board accepts that the engaged provider is at least entitled to, and
- (b) thereafter pay any shortfall promptly, once the dispute is finally resolved.

(3) However, if an engaged provider has—

- (a) not claimed a payment to which it would be entitled under the Scheme if it claimed the payment, or
- (b) claimed a payment to which it is entitled under the Scheme but a Local Health Board is unable to calculate the payment until after the payment is due to fall due because it does not have the information it needs in order to calculate that payment (all reasonable efforts to obtain the information having been undertaken),

that payment is (instead) to fall due on the first working day of the month after the month during which the Local Health Board obtains the information it needs in order to calculate the payment.

Payments on account

10. Where a Local Health Board and the engaged provider agree (but the Local Health Board's agreement may be withdrawn where it is reasonable to do so and if it has given the engaged provider reasonable notice thereof), the Local Health Board must pay to an engaged provider on account any amount that is—

- (a) the amount of, or a reasonable approximation of the amount of, a payment that is due to fall due under the Scheme, or
- (b) an agreed percentage of the amount of, or a reasonable approximation of the amount of, a payment that is due to fall due under the Scheme, and if that payment results in an overpayment in respect of the payment, direction 8 applies.

Post payment verification

11. Post payment verification⁽¹⁾ applies to the provision of services under the Scheme.

Dispute resolution

12.—(1) In the case of any dispute arising out of, or in connection with, the Scheme, the engaged provider and the Local Health Board must make every reasonable effort to communicate and cooperate with each other with a view to resolving the dispute, before referring the dispute for consideration and determination to the Welsh Ministers in accordance with the Scheme dispute resolution procedure (or, where applicable, before commencing court proceedings) specified in paragraphs (2) to (15) below.
