All Wales Opticians
All Wales HB Primary Care Managers
All Wales HB Pharmacy & Prescribing Advisors
All Wales Medical Committees
All Wales Pharmacy Committees
All Wales Dental Committees
All Wales Ophthalmic Committees
All Wales Prisons – Healthcare Managers
All Wales Independent Hospitals

Dear All

Please note the following the information about the twice-weekly lateral flow testing programme for primary care contractor staff.

For Primary care contractors that are already taking part in the lateral flow testing programme

All primary care contractors that expressed an interest in lateral flow testing should have received an email on 14 April 2021 with the details needed to use the DHSC online lateral flow test ordering service.

The email will have been sent from organisation.coronavirus.testing@notifications.service.gov.uk with the subject title 'COVID-19: Your new Unique Organisation Number (UON)'

The UON within this email is needed to order lateral flow tests from the website <https://request-testing.test-for-coronavirus.service.gov.uk/>

If you think you should have received this email but have not, please contact Covid19.HealthTesting@gov.wales, and they will make sure that DHSC have your details.

We are not expecting practices will need to place orders for further LFT devices for a few weeks from now until the initial packs of 25 that NWSSP have recently distributed to primary care contractors during the past couple of weeks, which provide testing for 12.5 weeks, are close to being used up.

Can you please ensure that all LFT devices are registered when used and all test results – whether negative or positive or invalid – are registered through the online portal at <https://www.gov.uk/report-covid19-result>. This information is crucial for us to monitor compliance with the testing programme, understand the prevalence of Covid-19 and inform policy decisions. Failure to register the devices and record the results of lateral flow tests may affect your ability to order devices through the online system.

Further lateral flow testing resources, including the Standard Operating Procedure and FAQs, are available online at <https://wales.assetbank-server.com/assetbank-wales/images/assetbox/c4d58de7-74f0-44be-b9bb-bc266ad2a96a/assetbox.html>

For Primary care contractors that are not currently part of the lateral flow testing programme

If you have not yet signed up for the lateral flow testing programme for your public-facing staff, but would like to participate in the programme, please contact Covid19.HealthTesting@gov.wales. You should include the following:

Organisation Name
WG Practice Code

Address
Telephone number
Email
Contact name
Number of public facing staff

Kind regards

Covid-19 Health Testing Team

Annwyl Bawb

Dyma wybodaeth ichi ynglŷn â'r rhaglen brofi llif unffordd ddwywaith yr wythnos ar gyfer staff contractwyr gofal sylfaenol.

Ar gyfer contractwyr gofal sylfaenol sydd eisoes yn cymryd rhan yn y rhaglen brofi llif unffordd

Dylai'r holl gontractwyr gofal sylfaenol a fynegodd ddiddordeb yn y profion llif unffordd fod wedi cael e-bost ar 14 Ebrill 2021 yn nodi'r manylion angenrheidiol i ddefnyddio gwasanaeth ar-lein yr Adran Iechyd a Gofal Cymdeithasol (DHSC) i archebu profion llif unffordd.

Bydd yr e-bost wedi'i anfon o organisation.coronavirus.testing@notifications.service.gov.uk gyda'r pwnc 'COVID-19: Your new Unique Organisation Number (UON)'

Bydd angen y rhif hwn (UON) a nodir yn yr e-bost er mwyn archebu profion llif unffordd o'r wefan <https://request-testing.test-for-coronavirus.service.gov.uk/>

Os ydych yn credu y dylech fod wedi cael yr e-bost hwn ond na chawsoch ef, anfonwch neges i Covid19.HealthTesting@llyw.cymru, a byddan nhw'n sicrhau bod gan DHSC eich manylion.

Dosbarthodd Partneriaeth Cydwasanaethau GIG Cymru y pecynnau cychwynnol o 25 i gontractwyr gofal sylfaenol yn yr wythnos neu ddwy ddiwethaf, ac mae'r rhain yn darparu digon o brofion ar gyfer 12.5 wythnos. Felly, nid ydym yn disgwyl y bydd angen i bractisau archebu rhagor o ddyfeisiau llif unffordd am rai wythnosau nawr hyd nes y byddan nhw'n agos at ddefnyddio'r rhai cychwynnol i gyd.

Cofiwch sicrhau bod pob dyfais llif unffordd yn cael ei chofrestru pan fyddwch yn ei defnyddio a bod pob canlyniad prawf – boed yn negatiff, yn bositiff neu'n annilys – yn cael ei gofnodi drwy'r porthol ar-lein yn <https://www.gov.uk/report-covid19-result>. Mae'r wybodaeth hon yn hanfodol er mwyn inni fonitro cydymffurfiaeth â'r rhaglen brofi, deall nifer yr achosion o Covid-19 a llywio penderfyniadau polisi. Mae'n bosibl y bydd peidio â chofrestru'r dyfeisiau a chofnodi canlyniadau profion llif unffordd yn effeithio ar eich gallu i archebu dyfeisiau drwy'r system ar-lein.

Mae rhagor o adnoddau ynglŷn â phroffion llif unffordd, gan gynnwys y Weithdrefn Weithredu Safonol a Chwestiynau Cyffredin, ar gael ar-lein yn <https://wales.assetbank-server.com/assetbank-wales/images/assetbox/c4d58de7-74f0-44be-b9bb-bc266ad2a96a/assetbox.html>

Ar gyfer contractwyr gofal sylfaenol nad ydynt ar hyn o bryd yn rhan o'r rhaglen brofi llif unffordd

Os nad ydych eto wedi ymuno â'r rhaglen brofi llif unffordd ar gyfer eich staff sy'n ymwneud â'r cyhoedd, ond fe hoffech gymryd rhan yn y rhaglen, anfonwch e-bost i Covid19.HealthTesting@llyw.cymru. Dylech gynnwys y canlynol:

Enw'r Sefydliad
Cod Practis Llywodraeth Cymru
Cyfeiriad
Rhif ffôn
E-bost
Enw cyswllt
Nifer yr aelodau o staff sy'n ymwneud â'r cyhoedd

Cofion gorau
