Winter Incentive Scheme
Add Claim
Claim Period August 2025
Declaration
I confirm that for the month above, that the following activities have been completed
and I claim payment for the 2025-26 Winter Incentive Scheme
All patients accessing the Common Ailment Service in this month
have been given brief information about the Common Ailments Service Patient Reported Experience Measures Study
during their consultation and encouraged to provide feedback on their experience.
The CAS Winter Poster is displayed as required.
The pharmacy is able to offer management of STTT and UTI within CAS.
